This policy sets out our approach to premises hire across the Great Learners Trust.
It has been adapted to provide information relevant to Elmhurst School

1. Intent

This policy applies to all schools in The Great Learners Trust (GLT) but has been individually adapted by each school, to ensure accurate information is provided.

All of the GLT's buildings and grounds are regarded as a community asset and every reasonable effort will be made to enable them to be used as much as possible. However, the overriding aim is to support the school in providing the best possible education for its pupils, and any lettings of the premises to outside organisations will be considered whilst keeping this in mind.

2. Aims

The aims of this policy are to:

- Make sure our schools' premises and facilities can be used, where appropriate, to support community or commercial organisations, in accordance with the articles of association of the trust
- Allow the hiring of the premises without using the school's delegated budget to subsidise this
- Charge for the use of the premises to cover the costs of hire and, where appropriate, raise additional funds for the school
- Not let any hiring out of the premises interfere with the trust's, and the school's, primary purpose of providing education to its pupils
- Hire out facilities in a way that is safe, following government guidelines and relevant risk assessments

3. Guidance

3.1 Definition of a Letting

A letting may be defined as “any use of the school’s premises (buildings and grounds) by either a community group or an individual or group of individuals, or a commercial organisation”.

Lettings will not be made to persons under the age of 18, or to any organisation or group or individual with an unlawful or extremist background or to anybody to whom the school does not wish to hire the premises.

A letting must not interfere with the primary activity of the school, which is to provide a high standard of education for all of its pupils.

Use of the premises for activities such as staff meetings, parents’ meetings, and extracurricular activities of pupils supervised by the school staff, fall within the educational life of the school. Costs arising from these uses are therefore a legitimate charge against the school’s delegated budget.

The school’s delegated budget cannot be used to subsidise any lettings by community or commercial organisations. A charge will be levied to meet the additional costs incurred by the school in respect of any lettings of the premises. As a minimum, the actual cost to the school of any use of the premises by an outside organisation must be reimbursed to the school’s budget.

3.2 Management and Administration of Lettings

The headteacher and the school’s business or finance manager are responsible overall for the management of lettings. The headteacher may delegate all or part of this responsibility to other members of staff but will still retain overall responsibility for the lettings process.

If the headteacher has any concern about whether a request for a letting is appropriate or not, the GLT’s central team should be consulted to provide advice

4. Areas available for hire and charges

4.3 Charging Rates and Principles

The rates for hiring out different areas are listed in the table in the section above. The [school or Trust depending on who has responsibility for deciding] may decide that certain organisations or activities can use the premises for a reduced rate, or free of charge, if it supports the core aims of the school or trust.

We may decide to impose an additional cleaning fee on top of the hiring rates.

The school's Local Governing Board (this responsibility may be delegated to the Finance and Resources Committee) is responsible for the determination of how charges will be applied for lettings.

The specific charges levied will be reviewed annually by the school, in conjunction with its Local Governing Board (this responsibility may be delegated to the Finance and Resources Committee).

The revenue raised from hiring out will be reviewed by the School Business Manager and will be fed into the school's financial reporting to the trust, to ensure best value is being achieved.

4.4 VAT

In general, the letting of rooms for non-sporting activities is exempt of VAT, whereas sports and physical recreation settings are subject to VAT (although there are exemptions under certain circumstances).

For specific clarification on Lettings and VAT applicants should seek advice from the school's business or finance manager in the first instance.

4.5 Cancellations

The school reserves the right to cancel any agreed hiring with a minimum of 7 days' notice.

A full refund will be issued if the school does cancel a hire. Neither the school nor the trust shall be liable for any indirect or consequential losses, including (without limitation) any loss of profits, loss of business or the loss of any revenue arising out of the cancellation of any hire.

The hirer of the premises can cancel any hire with a minimum of 7 days' notice.

5. Application Process

Those wishing to hire the premises should contact the relevant school office to request a hire request form as set out at appendix A.

The hire request form should be completed together with the terms and conditions of hire as set out at Appendix B and submitted it to the school office. Approval of the request will be determined by the Co-Headteacher.

The school's business or finance manager or other designated person with responsibility for lettings shall ensure that a Lettings Agreement (Appendix A) and Terms and Conditions (Appendix B) are completed by the Hirer.

The school reserves the right to decline any applications in its absolute discretion, in particular where the organisation does not uphold the values of the school, or reputational damage may occur.

If the request is approved, the school will contact the hirer with details of how to submit payment and make arrangements for the date and time in question. The school will also send on details of the emergency evacuation procedures and other relevant health and safety documents. The hirer will also need to provide proof of their public liability insurance. A model approval letter is included in Appendix C.

6. Safeguarding

The Great Learners Trust is dedicated to ensuring the safeguarding of its pupils at all times. It is a requirement of hire that hirers abide by the trust's requirements in respect of safeguarding. Any failure from the hirer in this respect will result in the hire being terminated with immediate effect.

It is the responsibility of the hirers to ensure that safeguarding measures are in place while hiring out the space.

If there is a chance that those hiring the premises will come into contact with pupils, for example if the hire occurs during school hours, or when pupils may be present in the school (during after-school clubs or extra-curricular activities), the school will ask for confirmation that the hirers have had the appropriate level of DBS check.

The hirer will be required to have appropriate safeguarding policies in place, including safeguarding and child protection, and shall provide copies of these policies on request to the school.

The hirer confirms that, should any safeguarding concerns present themselves during the hire of the school premises, they shall contact The School Business Manager, who will refer to the appropriate Designated Safeguarding Lead as soon as reasonably practicable.

The hirer understands that if the school or trust receives an allegation relating to an incident where an individual or organisation is using the school premises for running an activity for children, the school will follow its usual safeguarding procedures and inform the local authority designated officer (LADO).

In addition to the above, the school may also request for confirmation and/or information for regular or frequent hires as follows:

- A list of the names and addresses of adults regularly attending and a lone working policy where applicable
- Adults regularly attending have been DBS cleared and can be evidenced upon request
- Where relevant, the organisation has Ofsted registration

7. Monitoring Arrangements

The application of this policy is monitored by GLT's Head of Estates and Facilities in conjunction with GLT's central team and headteachers.

Copies of all hirer paperwork will be retained in a central location by each school for at least six-years plus current year. Please refer to GLT's records retention policy.

This policy will be reviewed by GLT's Head of Estates and Facilities annually and any updates to this policy will be shared with the [board of trustees/local governing body].

All relevant persons are required to familiarise themselves with the workings of this policy as part of initial implementation and every twelve-months thereafter as an ongoing requirement.
