Dear parents/carers,

To enhance the learning related to our curriculum enquiry question 'Do we all see the same night sky?', we have organised for a WonderDome; planetarium visit on **Monday, 18 November 2024**. This will take place in the school hall.

Stepping into a WonderDome mobile planetarium you're transported on a cosmic journey, a thrilling adventure exploring the wonders of the Universe. Our captivating shows will ignite curiosity & spark a desire to explore and learn more. From planet formation to the birth and death of stars, from launching rockets to stepping foot on other worlds, it's an unforgettable opportunity to see the marvels of space.

The cost of the visit will be **£7.25** per child and a voluntary contribution is required by **Friday, 25 October 2024**. No child will be excluded from this experience if parents cannot afford to contribute; however, if we receive insufficient contributions then we will have no option but to cancel this experience as we cannot provide trips and visits without parental contributions.

Payment should be made through the Arbor Portal: <https://login.arbor.sc/>

If you would like your child to take part in this experience, and others which will take place later in the academic year, but you are unable to afford the payments, please contact the school office to enquire about the possibility of obtaining a grant to contribute towards the costs of trips and visits.

The William Harding's Charity offers grants to schools and individuals based in Aylesbury to help and support with education, school trips and uniform. To apply for the grant through the William Harding's Charity, please collect a form from the school office. This will need to be completed and returned to The William Harding's Charity along with the supporting evidence of financial income, benefits and proof of school trip costings.
