Dear Parents/Carers,

Arrangements for Secondary Selection Testing – September 2024

Next week the children in Year 6 will sit the Buckinghamshire Transfer Tests, which are designed to assess a child's suitability for grammar school.

The practice test will take place on **Tuesday, 10 September** and the Secondary Transfer Test will take place on **Thursday, 12 September**. All children will sit these tests on Thursday, 12 September unless they are formally withdrawn. If you wish to do this, please put this in writing and send in to school no later than Monday, 9 September.

As in all years, if a child is ill on the day they are due to be tested, they will have the opportunity to take the test at another time when they are well. Please contact the school as early as possible to inform us if your child is unwell so we can arrange an alternative time for them to complete this test.

Yours sincerely,

Mrs R Lee and Miss K Needham

Co-Headteachers
